

Women

Power

enabling gender responsive
conservation in a post-2020 era

Date: 5 September, Sunday
Time: 16:00 - 17:30 CEST
Room: Virtual Channel 4

Explore how we can work together to scale up gender responsiveness in the post-2020 era. Join us to hear about the development of a post-2020 Gender Plan of Action for the Convention on Biological Diversity. Discover examples of best practices and experiences from different parts of the world that show we can address gender in the context of biodiversity action in the decade ahead.
